MEDITERRANEAN TRADITION

ESKISIT Catering is a personalized, professional and above all family catering in constant evolution since 2012 **created by two generations of women passionate about their work** with a long history of more than 25 years in the world of catering and event organization.

We work with a gastronomic line based on the Mediterranean tradition combined with touches of haute cuisine and other cultures. We create recipes with the best local and seasonal products offering authentic cuisine and a global experience thanks also to our fully customizable staging for our customers.

Our team focuses on **creating unforgettable moments** with close, personalized attention and 100% committed to you.

Thanks to their practical and casual format, our **Finger Food** proposals fit into any celebration. We deliver all the options in prepared trays so that you can start the party at the moment
